

## Today is Cyber Monday

Here are a few fun FACTS about **Cyber Monday**

- Economists are predicting a rise of 18% to 20% in Cyber Monday spending this year vs last year
- Consumers will spend an estimated \$2.4 billion on this one day spending spree

Tomorrow on **#Giving Tuesday** **YOU CAN MAKE A DIFFERENCE** for many women and their children!

- Pregnant women choosing treatment – allows the *opportunity to have a drug free baby*
- Giving these babies *a better chance at a healthy and developmentally balanced beginning*
- Allowing mom to *bond with her new child and have her other children close and safe*
- *Reducing the impact of addiction on children* through the care of experienced staff through age appropriate support

YOU can make this possible by supporting **Haymarket Center's Wholly Innocence Child Care** and continuing the mission and vision of our founder - Father Mac - and what he used to call "Father's Little Children."

Your tax deductible gift can create a lasting change for the mothers in treatment, their children and families that are impacted by addiction. You can lessen the financial burden by choosing recurring payments in "**Donation Frequency**"

Please plan on participating in **#Giving Tuesday! Tomorrow!**

OR

**Give Now**

**Haymarket Center is a 501c3 non-profit** and your generous donation is tax deductible while also an opportunity to provide critical support to treat the '*whole person*' from detoxification, treatment and into successful recovery.
