Welcome

This year we're celebrating our silver anniversary, Haymarket Center's 25th Annual Summer Institute on Addictions. This year's seminar will be held on Wednesday, July 31 – Friday, August 2, 2019 at the Illinois Institute of Technology – Hermann Hall, 3241 South Federal Street Chicago, IL 60616.

As an exhibitor, you will have the opportunity to gain greater exposure. The new exhibition space is located where guests will pass through to check in and to attend all group sessions in the adjacent auditorium.

Given your area of expertise, interest and involvement associated with the field, we believe that your presence would greatly enhance this year's conference.

We found a larger venue, expecting more than 400 participants. With 30 sessions including keynotes and workshops, we'll discuss topics such as medication assisted treatment, suicide prevention, dual diagnosis treatment, evidenced based practices, new dangers of synthetic drugs and much more.
